The Professional Manufacturer of Hotel
Guest Room Equipment

Website: www.szcreate.com

Email: create@szcreate.com

Tel: +86 755 2106 2045

Company Profile:

CREADE brand, named from CREATE, is aimed to create new design of electric appliances for new generation hotels.

The company, founded in 2007, specialize in manufacturing, developing, marketing and selling electric appliances for guest room of modern hotels. More than 20,000 square meters factory is equipped with professional mold workshop, injection workshop, assembly workshop, and modern equipment. More than 200 skilled workers provide fast delivery and more than 50QC for quality control. Products are CE CB approved.

With the huge investment on the laboratory of researching the motor, heating coil and other important parts of electric products, and on the appearance development department who has the keen sense of smell and sharp insight into the market at the vision and direction of the changes, CREADE design is always leading the trend and CREADE products are the symbol of high quality.

Our mission is to let CREADE brand originated in China become renowned in every part of the world.

HIGH SPEED HAIR DRYER

- **110000rpm High Speed Brushless Motor**
Create strong flow, drying hair fast

- **Intelligent Constant Temperature Control**
Intelligent steady temperature control system, control the airflow temperature accurately, no heat damage

- **One Button to Self-cleaning**
One-button contrarotate the air inlet net to clean dust on the inner net

- **Negative Ions Technology**
200 millions negative ions, neutralize static electricity, make hair moist and fluffy

- **Acoustic Noise Reduction Design**
Low decibels, more to say goodbye to sharp wind noise of traditional hair dryer, with a better experience

- **Colors Option**
